

TOWN OF MARSHFIELD, MA

Marshfield Youth Baseball

Dear Field of Dreams Sweepstakes,

The families of Marshfield are very active in baseball. Our Recreation Department, our parents, coaches and board members are very helpful. This league would not exist without all of their support and help. We encourage every young boy and girl to play ball. No child is ever turned away.

The Town of Marshfield is very excited about your contest. The prize, a “newly installed Sports Lighting System” is something the boys and girls of Marshfield can defiantly use and would love to play under. Thank you for creating such a great opportunity for so many young children.

With this prize, our baseball diamond and children will shine and have that “Fenway Park” feeling. Let there be lights.

Sincerely,
MaryAnn Hebert
Marshfield Recreation Commission
